INSTRUCTIONS

There are four parts to the membership application:

1. Application
2. Confidential Questionnaires (completed and signed by the two proposers)
3. Two “Seconding” Letters
4. \$500 deposit (non-refundable)

Any member in good standing may propose an applicant for membership. It is the proposing members’ responsibility to acquaint the applicant with the rules, expenses and benefits associated with membership in the club. A proposer can be either the Member of Record or their spouse.

The two proposers are each required to sign and must complete a Confidential Questionnaire to be included with the application. It is important that all questions be answered as completely as possible. In addition, “seconding” letters from two other members of the club must accompany the application. The prospective member or one proposer should take the lead in gathering all required documentation and letters. Finally, the completed package: Application, two Confidential Questionnaires, two “Seconding” letters and a \$500 deposit (made payable to Cohasset Golf Club) should be sent to the business office P.O. Box 247, Cohasset, MA 02025.

Currently there is a waiting list for new Regular Members with golf privileges and none for Social or Junior Members.

Once the completed application package has been received and recorded and if there is an opening in the requested membership category, the applicant’s name will be posted before the general membership for comment. After the 10 day comment period, applicants can be approved for membership.

The Membership Chair currently accepts applications throughout the year. An application for Regular Membership (i.e. adding a name to the waiting list for golf privileges) will also be accepted at any time.

Please call or email if you have any additional questions.
