The primary responsibility of the club employees is to provide excellent service to Cohasset Golf Club members and their guests. It is imperative that all club employees be treated with utmost courtesy and respect at all times. Violation of this policy could lead to suspension and/or termination of membership. If a member feels that they have been treated unfairly by any club employee, the member should bring it to the attention of the General Manager.

### **Complaints**

All complaints regarding employees or the operating policies of the Club must be made to the General Manager, or the Executive Committee, preferably in writing. In no event should a club member reprimand an employee.

### Times of Play

**All players must register with the Golf Shop before teeing off.** This allows us to track play during the season and locate members and their guests should the need arise. During times of heavy play, there will be a starter on the first tee to regulate the flow of play and to ensure that all players have registered. In order for a group to be given a slot on the 1<sup>st</sup> tee, (and written on the starting sheet), at least three of the four players in the group must be present and check in with the starter. If by the time a group is called to the tee the fourth player has not arrived, the group may choose to start as a threesome or allow the next group to play first. Priority will be given in the order in which groups are filled on a first come first serve basis.

On Tuesdays through Sunday all play will commence, beginning at 7:00 a.m., from the first tee only (Exception: Sundays at 6:30 a.m. during June, July and August). Failure to tee off from the first hole results in disruption in daily maintenance procedures. Always check with the Golf Shop if you have any questions as to the availability of the course or refer to the Weekly Course Availability chart.

Play on Mondays - The course is closed to all golfers until 12:00 noon for general maintenance. When the course is used on Monday morning, the course is closed on Thursday morning to perform needed maintenance. On those Mondays and Thursdays when the course has been closed until Noon for maintenance, all play will commence from the 1<sup>st</sup> tee until 3:00 p.m. Skipping to other parts of the course is not permitted.

Play is not permitted when frost appears on the golf course.

During Times of heavy play, the starter may ask twosomes and/or singles to join together to assist in the pace of play. We ask your cooperation when this request is made. If you choose to remain a twosome, priority may be given to foursomes waiting to play.

### **Outings**

All outings must be held in accordance with the club's By-laws and Rules. Special outings may be arranged by written request to the Golf Chairman for approval by the Executive Committee. Golf outings may be sponsored by ANY member of the club who is in good standing. All green and cart fees will be charged to the sponsoring member. Cash will not be accepted.

The course will be closed to the membership during Monday outings.

All events will include golf and dinner in the dining room. An approximate count of players is required at booking. House charges will include a 20% service fee, as well as a 6.25% tax.

No food or beverage of any kind, unless purchased or approved by the club, may be consumed on the club's premises at any time.

Arrangements for both the golf portion of the event and the food and beverage selections must be made at least four weeks prior to the event.

All outside golf outings have a 1:00 p.m. shotgun start unless otherwise approved by the Golf Committee.

Inclement Weather - In case of lightning or severe weather, the signal to halt play is a continuous siren alarm. In the event your outing is canceled due to inclement weather, you will be responsible for the meal portion of the outing. Rain dates are subject to availability.

Player Registration - A player list, with hole assignments by foursome, must be delivered to the club by the Friday preceding the event.

Fees and Charges - A deposit of \$1,500 is required when the outing is booked. The deposit is refundable only in the event that a golf outing of equal volume is booked on that date.

Outing packages will be provided upon request. Outings will include the following: Shotgun start, 18 holes of golf and golf cart, professional golf staff services, event planning and set-up, scoring, ranger on the course and range balls.

### **General Rules for All Members**

Cohasset Golf Club was designed as a walking course. Members and their guests are encouraged to walk and to take caddies when available.

Golfers are expected to take all necessary precautions to assure course conditions are maintained for the benefit of all. Pull carts are never to be taken on greens, or fringe areas around greens. Do not cross pull carts through fescue grass fields except where designated access paths may permit, and avoid any restricted areas established to protect the course.

Members and their guests must conduct themselves according to the traditions of golf and abide by the Rules of Golf and the Rules of Etiquette as adopted by the USGA. These shall be the rules of the club, except when local rules apply.

When a foursome that has started on the 10<sup>th</sup> hole on a Saturday, Sunday or a holiday arrives at the 1<sup>st</sup> tee, it will take precedence over other golfers waiting to tee off, except for the foursome teeing off when they arrive. Also, golfers who begin play at the 1<sup>st</sup> tee will take precedence over all golfers waiting to tee off the 10<sup>th</sup> hole.

Cutting in (that is not starting from the 1st tee and playing the course in continuous fashion from the 1<sup>st</sup> hole to the 18<sup>th</sup> hole) is not permitted unless there is a clear hole both ahead and behind. Cutting in is prohibited on Saturdays, Sundays, holidays, Mondays before 3 p.m., and Noon on other days-

Prior to the beginning of the regular season, April 1<sup>st</sup>, and after the close, November 15<sup>th</sup>, groups of more than four players may play together if the play is light, subject to the approval of the Golf Professional.

### **Bag Tags**

Bag tags with the member's name and golf privilege will be available in the Golf Shop at the start of the season. Please make sure the bag tag is attached to your golf bag at all times.

### **Unrestricted Golf Privileges**

Players with unrestricted golf privileges have open access to the golf course, subject to the general rules surrounding times of play, tournaments and outings, and special group play.

### **Restricted Golf Privileges**

Players with restricted golf privileges will refrain from commencing play anywhere on the course during the following periods:

Saturdays, Sundays & Holidays      7:00 a.m. until 10:30 a.m.

There will be weekends and holidays during the year that the tee might not be available at 10:30 a.m. because of team matches or tournaments that require tee times past 10:30 a.m. All play is required to start on the 1<sup>st</sup> hole on weekends and holidays. Please check with the Golf Shop if you have any questions.

Members with restricted golf privileges may sign up (or be put on a waiting list) for all One-Day Member-Guest tournaments provided there is space available two weeks prior to the event date. They may also sign up for the October Member-Guest once the sign up is posted.

### **Play by Children of Members with Golf Privileges**

Children who have passed Cohasset Golf Club's Testing Criteria (regardless of age) may use the golf course 30 minutes after Restricted Member times, without being accompanied by a golf member. Those children who have not yet met these requirements must be accompanied by a member with Golf Privileges. Children of Social Members must abide by the same policies as Social Members.

The Golf Committee encourages the play of juniors - they are our future golfers and members. There is a special junior guest green fee available from Monday through Thursday after 3:00 p.m. The fee will be \$35 for 18 holes and \$20 for 9 holes. Both junior and guest must be under 18 years of age. We request that all parents familiarize them with the rules of golf, golf etiquette, and the rules and regulations in this book.

### **Hole-In-One Coverage**

In the interest of members making a Hole-In-One, ALL adult members with a golf privilege will be billed \$5 for insurance. Members choosing to opt out may do so by notifying the Business Office.

Members must be 21 years of age or older to join. The initial fee is \$5, and the monies go into a pool that is used to fund holes-in-one made only at Cohasset Golf Club during the golfing season. A maximum of \$350 will be used toward the bar bill for a hole-in-one celebration, which will not begin until the person making the hole-in-one completes his or her round. Members will be rebilled as the pool gets low. Each insured member making a hole-in-one will receive a framed picture of his/her Hole-In-One hole. Good luck to everyone in 2019.

### **Pace of Play**

Slow play and certain violations of golf etiquette spoil the pleasures of the game. In 1993, the USGA's Pace Rating Program was calculated for Cohasset by the MGA. The USGA Pace Rating is the time "knowledgeable" groups of four golfers should play on a full golf course. The Pace Rating for Cohasset Golf Club is **three hours and fifty-four minutes**. Please be aware of the time it takes to play, and try to improve on your time par. When playing in a group, you should adopt the "READY GOLF RULE." If a person in your group is away but not ready to hit, the next person away should hit. If each player in a foursome hits every shot 5 seconds sooner, a round of golf will take 30 minutes less.

Any group that fails to keep its place on the course and loses more than one clear hole on the preceding foursome must allow the following foursome to play through. If the following group is not invited to go through, it should request to be allowed to do so.

During the days of heavy play, there will be a staff member on the course who has full authority from the Executive Committee to keep the flow of play running smoothly. The full cooperation of the membership is requested, and those who have a tendency to play slowly should select a time that does not affect general membership play.

The Golf Committee has adopted the following rules for slow play in CGC Stroke Play Championships that utilize starting times. Groups will be timed through 9-holes. If they have taken longer than 2 hours 15 minutes OR

have fallen more than 15 minutes behind the group in front, the group may be issued an official warning. If the group has not regained its proper place by finishing in 4 hours 30 minutes OR is more than 20 minutes behind the group in front, ALL players in the group may incur a 1-stroke penalty. The policy may be open to modification from the Golf Committee.

### **Reciprocals**

The following are guidelines members should follow when requesting reciprocal play:

- Reciprocals are for members with unrestricted or restricted golf privileges only. Social members are not allowed reciprocal privileges.
- Each member will be allowed up to two reciprocals per year.

- No reciprocals will be granted on Monday.
- Reciprocal play must be arranged through the Golf Shop. You must provide the names of the club members (all with golf privileges) in your group.
- Reciprocal play is not considered guest play, whether you have a guest at our course or you are a guest at another course.

Members should keep in mind that reciprocal play is granted as a courtesy for our members. When at other clubs, all club members should treat the host members and professional staff with respect at all times. The same would be said for reciprocal play from other clubs, that those members should be treated as we would treat any guest at our club.

**Please Note** – All of the area OCL clubs have elected to charge a reciprocal fee for play. The Golf Shop has a list of the respective charges that will apply.

### **Guests**

A guest may have the privileges of the club once per calendar month when introduced by and accompanied by a member. Play in a member-guest tournament is not counted. Only members and their guests with amateur status are eligible to compete in official tournaments. It is the member's obligation to ensure that his/her guest has not already played as a guest of another member during the thirty-day period.

On Saturdays, Sundays, and holidays, only one guest is allowed per foursome before 12:30 p.m. For groups with two or more guests, play must commence after 12:30 p.m.

No member may introduce more than three guests in one day without prior approval of the Golf Chairman.

When you intend to bring a guest, please call the Golf Shop with the following information: the date you wish to play, the time you wish to play, and the name(s) of your guest(s). This information will help the Golf Shop anticipate play levels on a given day and avoid scheduling conflicts with club events.

A houseguest may, when introduced by letter to the General Manager and, upon his/her approval, have the privileges of the club, including golf, with payment of the established fees. Houseguests are limited to one, two-week period of two weeks golf privileges, per year. Houseguests must be accompanied by the sponsoring member during golf play, and any play is subject to any restrictions imposed on the sponsoring member. A houseguest may be anyone staying temporarily at the home of a member.

A member must accompany all guests, including houseguests at all times.

### **Handicap Policies & Procedures**

A USGA Handicap Index is a number which best describes a golfer's level of skill. When properly applied, the handicap allows for difference in skill between competitors, resulting in fair and equitable competition.

"No golfer has an inherent right to a USGA Handicap index." It must be earned and respected. Only through strict adherence to the handicap system will the handicap be a true representation of a golfer's ability.

- All members must have an established handicap to play in club events. New members without an established handicap will be assigned a temporary handicap.
- Non-member players entering a member-guest tournament without an established handicap must play at scratch. However, should a member or guest be able to provide the Golf Committee with adequate proof of a previous club or state handicap, a handicap will be assigned.
- All 9-hole and 18-hole scores should be posted in the handicap computer.
- A 9-hole score should be posted if you play at least seven holes on the same side.
- An 18-hole score should be posted if you play at least 13 holes.
- If a player does not post a score for a particular round, the Golf Committee reserves the right to post a score for that player equal to their lowest score out of their last 20 rounds.
- The Golf Shop staff will post all Stroke Play Tournament scores. It is the responsibility of the member to post any Match Play Tournament scores.
- A player's scores should be adjusted in accordance with the Equitable Stroke Control Table as noted below:

<b>Equitable Stroke Control</b>	
<b>Course Handicap</b>	<b>Maximum Number On Any Hole</b>
9 or less	Double Bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or more	10

- Your handicap is a measure of your golfing potential, not necessarily your current level of play.
- All questions should be referred to a member of the professional staff or a member of the Handicap Committee.
- In 2016, The USGA deemed that scores while playing alone are NOT permitted to be used for score posting purposes (Section 5-1)

After completing a round of golf, the player should be sure that: (1) his/her first and last name, date, and course tees played; (2) the score is adjusted by the Equitable Stroke Control (ESC) Procedure; (3) the score is posted in the computer.

## Handicaps for Tournaments

The Golf Committee will determine the percentage a player/team will receive of their handicap for each event. This will, in most cases, follow the USGA recommendations.

## Soft Spikes

Cohasset Golf Club requires all members and guests to use soft spikes on the course and practice facilities and in the clubhouse. Please remember to remind your guests. The locker attendant is equipped to change spikes for a nominal charge.

## Practice Range

All practice must be limited to the practice range except in the case of a playing lesson from a staff member. Hitting more than two balls from any portion of the course, including the rough, or onto a regulation green is never permitted. All practice putting, chipping and bunker play are not allowed on the golf course and should be restricted to the putting green or Short Game Area.

Parking of automobiles is prohibited at the practice range. All automobile parking is confined to the clubhouse parking lot.

All guests who are going to play a round of golf are entitled to the use of the practice range. Members who wish to bring a guest to the range for practice only may do so provided they register in the Golf Shop and the guest is accompanied by the member. A range fee of \$15 per player will be charged. In order to accommodate all players on the practice range, members shall not bring more than three guests at one time. For children to use the range without adult supervision, it is required that he/she pass Cohasset Golf Club's Testing Criteria. All children who have not met this requirement must be accompanied and supervised by an adult. Children should be respectful to members and yield their spot on the practice tee at busy times.

Practice Range and Short Game Area privileges are included in your dues. Spouses and children of members who are under a **Single membership** and do not have family golf privileges or children who do not have child golf privileges do not have short game area privileges (unless they check in and pay a fee for each use).

Range balls are for use on the range only and may not be used on the golf course. Any member taking range balls from the range onto the golf course will be suspended for thirty days. Balls must be hit from the designated areas (including mats when determined by the course superintendent). When using the Short Game Area, please be respectful of other members using the facility. You should retrieve all the balls you use so the green areas remain clear. Please do not play a shot in the direction of another member. Full shots are not permitted to the Short Game Area (shots struck from the regular range tee).

NOTE: When the Lower 16 Tee area of the range is used, the Short Game Area will be restricted by ropes. Please be mindful of this for your safety.

### **Travel to Practice Range**

Golf carts must use the cart path next to the stone wall in back of the 18<sup>th</sup> green. Golf carts used for the sole purpose of travel to the range must return to the Golf Shop and not be taken on the course for play. Any member violating this rule will face loss of cart and/or playing privileges. Park golf carts in designated areas only. Please do not cross the 18<sup>th</sup> fairway. All range carts are expected to be returned by 7:00 pm.

Walkers - use high point in back of the 15<sup>th</sup> tee to cross over the 18<sup>th</sup> fairway.

### **Practice Range Hours**

Conditions, weather, and daylight permitting, the range will be open as follows:

- Monday – 10:30 a.m. to dusk
- Tuesday through Saturday – 7:15 a.m. to dusk
- Sunday – 7:15 a.m. to one hour before Sunset
- Closings are to accommodate clean picking and mowing schedule
- Any deviation will be sent out by e-mail notification

Please check with Golf Shop for availability.

### **Golf Course Maintenance**

Maintenance of the golf course is a continuous process. The movement of workers and their tasks around the course are designed to produce the least amount of interference with golfers. However, it does not eliminate the fact that both golfers and workers are at times in the same vicinity. The grounds' crew does not wish to be in your way any more than you wish them to be there. They operate under the following guidelines:

- To finish the task at hand if it will take a short period of time (2-3 minutes). Please wait for them and allow them to clear the area before playing.
- If the task cannot be finished quickly, to first acknowledge the presence of the golfers, continue the task to a safe pause or distance, and then signal the golfers to play. Please wait for their signal to play.
- Any hole without tee markers or a flagstick on the green is closed to play. Workers will continue their task until it is complete. The hole will be open for play only when the tee markers and/or flagstick have been replaced.
- "Course Closed" or "Hole Closed" signs are to be adhered to without exception.

## **Aeration**

The term aeration is used when the soil cores are removed from the greens. Gases are exchanged and oxygen is improved in the soil profile. However, the real purpose of the maintenance practice of core cultivating has a whole list of benefits. Benefits of core aeration include:

- Providing an opportunity to replenish the nutrients when soils become depleted
- Releasing toxic gases from the soil
- Increasing filtration
- Reducing compaction
- Stimulating root growth
- Improving the wetting of hydrophobic soils
- Allowing better turf grass response to fertilization
- Controlling thatch buildup (Puffy Greens)
- Providing an opportunity to modify the soil with a top-dressing of sand

Often the greens are in their best shape before the maintenance staff rips them up. There is no malice in the decision to aerate. The timing of green aeration and core cultivation is when the turf is growing vigorously and is not subjected to stress from Mother Nature. Please note that the maintenance staff feels your grief during this disruptive process and will do their best to insure a fast and speedy recovery.

## **Repair Ball Marks**

It takes only five seconds to repair a ball mark on a green - so most of us have ample time to repair several, either before or after putting. A freshly repaired ball mark will heal completely within 24 hours, but left un-repaired for only one hour, it will take 15 days to eliminate the scar. If unsure of the correct method to repair a ball mark, please ask for a demonstration by our golf professionals.

## **Replace All Divots – Rake All Bunkers – Pick Up Loose Tees**

Please fill and replace all divots other than teeing ground. Please enter and leave bunkers at the nearest level point, and smooth sand over upon leaving (with provided rakes). Leave rakes outside the bunker close to entry points in a manner that minimizes obstruction to play. Please pick up and discard loose tees on the teeing ground.

## **General Cart Rules**

Arrangements for the use of golf carts must be made with a member of the Golf Shop staff. A driver's license is required to operate a golf cart on club premises. Any damage to golf carts or the golf course is the responsibility of the using member.

Any member requesting a special golf cart privilege for medical reasons (disability 'Red Flag') must submit this request in writing to the Golf Committee along with a doctor's recommendation.

The Golf Committee will review each request on a case-by-case basis. The status of 'Red Flag' holders will be reviewed on an annual basis. Special cart rules have been established on a hole by hole basis for anyone operating a cart with a disability 'Red Flag'.

Operating golf carts in the proper manner will have a great impact on the condition of the course. In an effort to make the golf course more visually pleasing, a cart control system for the approaches to greens has been instituted. The following procedures are now in effect for general cart use:

- All cart signs have been removed and replaced by cedar stakes on either side of the fairway. Carts are not permitted to cross the imaginary line between the two stakes. Please exit the fairway to the side of the designated cart path. Cart signs and ropes will be used to indicate wet areas.
- When on the cart path keep all four wheels on the path. The areas around tees and greens are our prime concern.
- Adopt the scatter approach. As you leave or approach paths and fairways, try to do this from different angles to avoid wearing out the grass. The staff will be adjusting the approaches and exits during the season. Avoid unmarked wet areas after rain events.
- Native areas (fescue grass) are areas forbidden for all carts. If you have a ball in these areas please park your cart and walk to look for your ball.

Golf carts must be operated on the course by members and guests in accordance with rules of operation established by the Golf and Green Committees. It is the responsibility of each member to know and abide by the rules. The Golf Committee has been directed by the Executive Committee to strictly enforce these rules. Failure to follow the golf cart operating rules may result in suspension of a member's cart and/or playing privileges.

GPS player assistance and cart control modules were implemented for the 2017 season. Please check with the Professional Staff if you are unsure of how to best use this new feature.

### **Red Flag Rules**

Members approved for use of a special cart privilege (Red Flag) may drive their cart past the cedar stakes, but only to play his/her ball (not that of another cart occupant), and, in no event shall the cart be closer than 10 yards from greens, 5 yards from tees and/or bunkers, or in any other position that could damage the course or the cart. The GPS System will allow for medical exemptions so please let the Professional Staff know if you require a designated cart.

**The following are areas that are restricted to ALL carts including those with Red Flag privileges. These restrictions are in place for your safety. Please review and observe.**

- Hole 1 - Between the first green and second tee (must stay on path).
- Hole 4 - To the left of the 4<sup>th</sup> green, on the approach past the bunkers (must use path to the right of the green).
- Hole 5 - To the left of the green between the 10<sup>th</sup> and 5<sup>th</sup>.
- Hole 6 - Parking on the back side of the green past the greenside bunker.
- Hole 10 - To the right of the green between the green and the fence.
- Hole 12 - The back of the green.
- Hole 13 - The left side of the green (must use the path on the right).
- Hole 16 - Up hill to the right of the green (must drive behind the green to the left).
- Hole 17 - The right of the green between the green and the ledge (if on the right side of the green, must remain on path).

### **Dress Code**

RULE: Conventional golf attire must be worn at all times when on the golf course or practice facilities. Men's shirts must have a collar. Women's shirts if sleeveless must have a collar, if collarless must have sleeves. Shirts should be tucked. Use of street shoes on the golf course is prohibited at all times. Hats should be worn facing forward. Jeans, tee shirts, tank tops, workout apparel and tennis shorts are not conventional golf attire. Junior golfers will be required to follow these same guidelines (including junior clinics).

The members of the golf staff have been instructed by the Executive Committee to inform anyone who is not in compliance with this rule that he or she will not be able to use the golf course or practice facilities.

### **Francis Ouimet Scholarship Fund Ralph Froio/Emmett O'Brien – Chairmen**

Since 1949, The Fund has awarded \$31 Million in need-based college tuition assistance to students who have given at least two years of service to golf as caddies, golf shop work, or course superintendent operations in Massachusetts.

A 501 (c) (3) organization, The Ouimet Fund's purpose is to help deserving young men and women who have worked at golf courses in Massachusetts obtain a college education. We provide need-based undergraduate scholarships which are renewable and can be worth up to \$10,000 – \$40,000 (or more) for four years. The Ouimet Fund is the largest independent scholarship fund in New England. We are proud of our longstanding affiliation with the Francis Ouimet Scholarship Fund. Our club's Ouimet Bag Tag contributions help award over 300 scholarships each year!

The major financial support of the Ouimet Fund is derived from bag tag sponsors. In 2018 Cohasset Golf Club contributed \$44,100 to this worthwhile charity. A number of Cohasset members also contributed to the Francis Ouimet Society.

Cohasset members are to be congratulated for their continued support of the Ouimet Fund. Members interested in joining the Francis Ouimet Society should contact the Scholarship Chairman.

## **Tournament Play**

The 2019-2020 USGA Rules of Golf will govern all tournament play except for posted local rules. Please refer to subheadings for each tournament to see eligibility. Junior boys must be 18 or older and have unrestricted golf privileges to enter men's tournaments.

Entries for events may close early at the discretion of the golf staff. This will be done only if the size of the field is dependent on a certain number of players (i.e. increments of 4). If this is done, players will be placed on an alternate list and contacted when either someone drops out or enough alternates sign-up to fulfill the field size requirements.

The following rules will apply for any medal play tournament or qualifying round:

- All contestants must sign their names on the posted tournament sheet and receive a tournament scorecard from the Golf Shop before commencing play.
- All competitors must have an official USGA Handicap.
- All play must commence from the tee designated by the golf staff.

- Any qualifying player or team must have their scorecards attested to by a marker.
- All scorecards must be turned in at the Golf Shop upon completion of play.
- Distance measuring devices have been approved by the Golf Committee for Tournament Play provided they measure only distance (not slope or elevation).

Traditionally in season long Match Play events, the responsibility to arrange a match time rests with the top seeded player. While this can be a good starting point, note that both players have an 'equal' responsibility to ensure that a date for play is made.

A match may be played prior to the deadline date if a mutually satisfactory date can be arranged by players or teams. Any matches not completely by the deadline date will be determined by a coin flip.

Entry fees for all tournaments are used for prizes, trophies, and food. The entire entry fee goes back to the players. When food is included in a tournament, the food charge will be applied to the member's minimum.

Ties – Based on the USGA recommendation (Rule 33-6), ties will be broken in the following manner:

Match Play – A winner will be determined by a sudden-death playoff, starting from the hole where the match began, with handicap strokes being the same as in the prescribed round.

Stroke Play – First place only - A three-hole playoff will commence at the conclusion of play. Starting at the first hole, the winner(s) will be the player/team with the lower(est) three-hole total. For net events handicap strokes will be the same as in the prescribed round. If still tied, a sudden-death playoff will begin at the first hole, with strokes applied based on the stroke holes. The Golf Committee May choose to modify this to a sudden death based on weather or daylight concerns.

All other ties – The matching of scorecards for the best score on the last nine holes will be used. If tying players have the same score for the last nine, then the tie will be broken using the last six holes, last three holes, and finally the 18<sup>th</sup> hole. The tie-breaking procedure will be handled by gross or net according to what portion of the event is tied. If the tie is still not broken, the same procedure will be used on the front nine.

Please note – The Golf Committee may choose to implement a variation of the tie/playoff procedure. If such a change is to be enforced for a specific tournament, the procedure will be noted on both the sign-up sheet for that event as well as on the first tee on the day(s) of the event. Please also note that ties in the Club Championship stroke play qualifier for the Medalist honors, as well as for the last spot, will result in a sudden-death playoff immediately following play. All seeding ties will be broken in the manner listed in the "All Other Ties" segment above.

Fees – In lieu of having individual charges for each and every tournament, the Golf Committee has determined that a one-time tournament fee of \$125 will be charged at the beginning of the golf year. This tournament fee will include the following tournaments:

Memorial Day Tournament	Wheelwright Trophy
Legends Club Championship	Flag Day Tournament
Senior Club Championship	Club Championship
President's Trophy	Lincoln Fall Member-Member
Club Championship Qualifying	Autumn Cup
Dresser Cup	Columbus Day Gangsome
Captain Amateur	Lions & Legends
Super Senior Club Championship	Summer Cup

In addition to the above tournaments, the tournament fee will include the following mixed events:

**Mixed Tournaments**  
**The Churchill Cup**  
**Mixed Foursome Stroke Play Championship**

In the event that a member does not want to pay the one-time yearly tournament fee, he must request a credit from the Business Office by April 30<sup>th</sup>. Any member requesting a credit from the Business Office is still allowed to participate in any tournament by paying a separate fee of \$35 for each tournament and \$25 for each mixed event per player.

Some tournaments are held with lunches and/or dinners in conjunction with the tournament. In those, the member will be billed separately for the food amount whether or not he or she partakes in the meal. The food portion will be applied to the member's monthly minimum.

**Additional Tournament Notes In 2019.**

- The Golf Committee has implemented a Local Rule for the Water Hazard/Lateral Water Hazard to the right of the 8<sup>th</sup> hole which will allow a player to play a provisional ball. The following will be adopted, "if there is doubt whether a ball is in or is lost in the water hazard on the right side of the 8<sup>th</sup>, the player may play another ball provisionally under any of the applicable options in Rule 26-1. If the original ball is not found or identified within the five-minute search period, the player must continue with the ball player provisionally."

# WOMEN'S GOLF ASSOCIATION

## 2019 WOMEN'S GOLF ASSOCIATION

The Women's Golf Association welcomes all women golfers with established USGA handicaps upon payment of dues. Our goal is to provide our 9-hole and 18-hole members with tournaments that are both competitive and fun.

The 18-hole women's group, the 18ers, is generally for the lower handicap player who wishes a higher level of competition and who has the time to devote to longer playing time. A maximum of 40 strokes is allotted in all 18ers golf; in Member-Guest tournaments players are allotted a maximum of 36 strokes. The 18-hole women's group welcomes experienced players who enjoy the challenges and friendships found in competitive golf. Any woman without an established GHIN will be assigned a course handicap of 10 strokes.

The 9-hole women's group, the Niners, encourages the beginner who wants to learn the game, the rules of golf and to feel comfortable as this is being accomplished. The Niners also welcome the experienced player who wishes to play with the 9-hole group due to time constraints, friendships or tournament types.

You will have fun, you will be with your friends, and most importantly, you will learn about and improve your golf game.

\*\* Plaque Tournament

## **General Tournament Information**

Sign-up sheets will be posted in the Tournament Box each Tuesday, after that you may sign up online using Golf Genius or by calling the Golf Shop. The Tournament Committee will arrange Tuesday games. Please sign up by 1:00 p.m. on Sunday if you wish to play on Tuesday. Anyone who has signed up for a game and cannot play should call the Golf Shop no later than 7:00 a.m. on Tuesday. Those players calling in after Sunday will be placed on a waiting list for a cancellation. If the tournament includes a luncheon, you must cancel by 6:00 p.m. on Sunday or your account will be charged.

Any tournament that has a plaque will require a playoff to break a tie. If you think you have tied, do not leave the club until all scores are in. If a player is not available for an immediate playoff, she will have to forfeit.

Summer Pairs and Summer Cup matches must be completed by the sheet date. It is the responsibility of the player whose name is on top to arrange the matches in each match play bracket.

The Member-Guest tournament shall include foursomes with no more than two Cohasset 18ers. A maximum of three guests shall be allowed.

For Invite-A-Friend days, 18ers may invite one friend who is not an 18er.

To receive a prize for breaking 100, a golfer must hole out on all greens on the regulation course and submit an adjusted scorecard attested by a Cohasset Women's 18-hole player.

For all women's 18-hole tournaments and regularly-scheduled Tuesday play with tee times, please note the course will be open to all members with golf privileges up to ten minutes before the first scheduled first tee time.

## **Summer Pairs**

Teams will be seeded according to combined team handicap. Byes will be used where appropriate and play by dates will be posted according to the number of teams entered. All matches will be played at 100% handicap and stroked off the low ball. This is a ladder tournament and the format is match play.

## **Summer Cup**

This event is for the first 31 (or fewer) players who sign up to compete in this match play, net elimination tournament. The defending champion will be given the top seed.

### **Club Championship**

This is a match play flighted tournament open to all women members having a golf privilege. The Champion of the Robert E. Goulding Junior Championship will earn a spot in the Championship Flight of the Club Championship. To be eligible, the player must be the child of a member with an Unrestricted Golf Privilege and be part of the Annual Tournament Program.

### **Nancy Black Net Championship**

This is a one-day medal play net tournament open to all 18ers with a Tuesday shotgun start. Sudden-death playoff will be used to break a tie.

### **Barbara Doble Tournament**

This is a Pinehurst (Scotch) medal play net tournament. USGA rules will apply to the handicap allowance for a Pinehurst Tournament. In case of a tie, there will be a sudden-death playoff. Choose your own partner, and make your own foursome.

### **Lincoln Bowl**

This is a two day medal play tournament played on Monday with tee times, and on Tuesday with a shotgun start in threesomes. There is a low gross and low net winner based on the total of the two-day scores. In case of a tie, there will be a sudden-death playoff.

### **Member-Member**

This is a one-day tournament played on a Tuesday. Select your own partner. There is a low gross and low net winner. USGA rules will apply to the handicap allowance.

### **Team Matches: WGAM and WSSGL**

Players represent the Cohasset Golf Club in competitive women's events with other clubs through the Women's Golf Association of Massachusetts and the Women's South Shore Golf League. Participants must be a member of the Cohasset Golf Club with golf privileges.

The maximum handicap index limit for WGAM membership is 36.

The 9-hole golf group is for the beginning woman golfer who wishes to learn the game and the rules of golf, as well as for the more experienced golfer who wishes to play only nine holes in consideration of time constraints but also wants to continue to learn and grow in the game of golf. There is also a large group of lower handicap women golfers who play with the nine-hole group because of friends they have made and the various tournaments that are played in which they can be competitive.

We will always strive to provide an atmosphere of fun and camaraderie and, at the same time, teach the rules and the game.

In the game of golf, wherever you are playing or whomever you are playing with, remember that handicaps are designed to make a level playing field, so the only difference is in the number of holes one wishes to play. Any Niner should feel comfortable if she arrives alone and will be cordially invited to play.

New members are welcome, and handicaps can be established with a USGA nine-hole handicap card or – before or after joining – by submitting five scorecards for accepted nine holes.

### **Invitationals**

Each of eight clubs – Black Rock, Cohasset, Duxbury, Milton Hoosic, Scituate, Wollaston, Weathervane and White Cliffs – hosts one event during the season. Each player pays a fee that is determined by each club to cover prizes, carts, and lunch. Eight players will be invited to each Invitational. Initially Niners' may sign-up for only two Invitationals but may add their names to alternate lists. These are Denver Style Scramble Tournaments.

### **Ladies 9 Hole Invitational League**

Each participating club will send four players with the lowest handicaps. The format will be a Denver Style Scramble with each club playing as a team. The winning club will receive the Silver Trophy given by Lucille McLoughlin, a former Niner, when the tournament began in 1983.

### **Alumnae Cup**

This will be played from June through September. This is open to a Niner in good standing that is only a Niner. Scorecards should be marked with an “**AC**” and turned into the Golf Shop. There will be two scores posted for both the back and the front nine. The player with the lowest combined score on both nines will be the Alumnae Cup winner and will receive a trophy at the Closing Luncheon.

### **Guy's & Gals**

The men of Russell's Raiders join with the Niners for a four-person team Denver Style Scramble Tournament. A stuffed goose is awarded to the winning team.

### **Club Championship**

Match play matches, using handicaps, are played during August and September. Flights and pairings are set up by handicaps by the Golf Shop. The final Championship Flight will be played in September.

### **Most Improved Player Award**

This award is determined at the end of the season by the scores that players have entered in the Golf Shop computer after each nine-hole round played.

### **Retired Trophies, given by former Niners, on display in the trophy case:**

- Alumnae Cup – Presented to the Niners in 1969 by Anne Young on behalf of former Niners who had joined the 18-hole group.
- Champion's Trophy – Donated in 1970 by Evelyn B. Johnson for the Niners Championship.
- Most Improved Bowl – This was given in 1977 in memory of Natalie Hinchcliffe as an award for the Most Improved Niner.

## **Tournament Play for Niners**

The 2019 USGA Rules of Golf will govern all tournament play except for posted Local Rules. Sign-up for weekly tournaments is via Golf Genius on the CGC website. To register for a weekly 9ers event (held on Wednesdays), we ask that players sign up by that Monday. Registration after this time may result in being placed on a waiting list.

Those members holding either an Unrestricted, Restricted, Limited, or Distinguished Senior golf privilege are eligible to compete in all of the 9ers tournaments, weekly competitions, and Invitational's.

Members with Social, Senior Social, or No Golf are eligible to participate in weekly competitions held during the months of April and October (paying no fee). Play in tournaments during the months of May through September is permitted but will be subject to the rules of that specific golf privilege (i.e. limited to two visits per month paying a green fee). The only events that this group of members is not eligible for are the Club Championship as well as the Alumnae Cup.

Similar to the Men's Tournaments, members with a Social, Senior Social, or No Golf privilege will be eligible for both the Member-Guest and Invite-A-Friend events if space is available. If entry is gained, the player will not be charged a green fee and the round shall not count towards the number of visits.

Members with Social, Senior Social, or No Golf are eligible to sign up for Invitational's as an alternate. If space allows, the Invitational Chairperson will contact them.

A member of the 18ers may also be a member of the 9ers bearing in mind that if a dual membership is held, the member shall not be eligible to compete in either the Club Championship or the Alumnae Cup.

In addition, no basketball, jogging, flip flops or training shoes may be worn on the courts as they may damage the Har-Tru surface.
- The members of the tennis staff have been instructed by the Executive Committee to inform anyone who is not in compliance with this rule that he or she will not be able to use the tennis courts.

## PLATFORM TENNIS

### GENERAL INFORMATION

**Time of Play:** Courts will be available for play from 8:00 AM to 10:00 PM, seven days a week.

**Apparel / Footwear:** Sneakers or tennis shoes are required. Do not wear footwear that could damage the court surface. Dress warm! Gloves, winter hat and multiple layers are always recommended during cold weather.

**Equipment / Paddle Balls:** Paddle balls will be available in the clubhouse upstairs office (if open,) and a supply will also be available in the warming hut on an “honor-system” basis. When purchasing balls at the warming hut, PRINT MEMBER NAME LEGIBLY on the “Paddle Balls” form so the appropriate charges may be designated (do NOT list Member number on this form.)

**Facility Maintenance:** It is Members’ responsibility to clear courts and deck of snow. Snow removal should be done with plastic blade shovels only. Hard-bladed or metal shovels cause premature removal of the aggregate surface. No salt or chemicals should be applied to the court or spectator deck surfaces. The de-icers should ONLY be used to remove ice and surface snow after removing the major portion of snow with shovels. Please turn off de-icers as soon as possible to conserve fuel.

Keep the hut and court area clean at all times. Since there will be no cleaning service through the winter, we will maintain a “pack it in, pack it out, leave no trace” policy - please take any trash, food, drink containers, etc. with you when you leave.

**Warming Hut:** Heat is provided via baseboard heating and a propane fireplace. While using the courts/hut, feel free to use either source. When leaving the courts: a) turn off fireplace, b) turn baseboard heat down to 50 degrees, c) turn off interior hut lights; and d) turn off court lights and de-icers.

The hut can be accessed by entering a security code that will be changed periodically. This code is available by calling 781-383-9890 (main office) or you will see the combination on the “Reminder email” from yourcourts.com under “Gate Code.” Since the Gate Code will change periodically for security purposes, the Reminder email prior to play will always have the most recent/current code to enter the warming hut.

**Court Reservations:** Court preference will be given to Members that reserve courts in advance. Courts may be reserved by booking at yourcourts.com. (CGC website offers a link to this system or log in directly via your computer or smart phone.)

**Yourcourts.com:**

Members will gain access to yourcourts.com by registering directly on yourcourts.com website. Once registered you will receive an email with your log in information.

To reserve a court from your computer or smart phone, log into yourcourts.com and follow the prompt to “Reserve A Court.” You will receive a confirmation email, as well as a Reminder email shortly before the designated playing time. The Confirmation and Reminder emails will also include the security code to the door lock on the warming hut.

**Restrooms:** Restrooms are available on the far side of the front-left maintenance building adjacent the 11<sup>th</sup> tee box. During periods of snow, we will maintain a clear path to the restrooms, and the same entry code for the hut will always be maintained for the restroom.

**Outings / Seasonal Leagues, Clinics, Etc.:** To book recurring events such as weekly clinics, inter-club matches, intra-club groups, etc. for the full season, contact Brian Leahy, CGC Tennis & Paddle Director at [bleahy@cohassetgc.org](mailto:bleahy@cohassetgc.org) or call 781-383-9890 ext. 18.

**Tournaments or Organized Events:** CGC encourages the use of the courts and hut for tournaments, mixers other social events. You can reserve up to three hours of time on your own via [yourcourts.com](http://yourcourts.com) (subject to availability) or, if need be, you can contact Brian Leahy, CGC Tennis & Paddle Director at [bleahy@cohassetgc.org](mailto:bleahy@cohassetgc.org) or call 781-383-9890 ext. 18. to reserve time that exceeds three hours for your event.

**Guest Policy:** Cohasset Golf Club offers a Guest policy that promotes the use and enjoyment of the courts, by Members as well as Guests. Guests must be signed in prior to play.
